Nordic Ski Instruction Program

All Ages * * All Ski Levels * * * Beginner thru Experienced

The Vasa Ski Club, in partnership with the North American Vasa and Timber Ridge Resort, is happy to bring back our annual WeSki Nordic Ski Instruction Program.

We have fantastic instructors, and will place participants into small groups based on their age and skill level. After the lesson, we'll gather together for a light, healthy meal.

WeSki is a friendly community gathering that aims to develop and improve individual XC ski skills, and to promote the many benefits of Nordic skiing.

Join us for some winter fun and learn more about our incredible Traverse area Nordic ski community!
